MAKE YOURSELF AT HOME
Our Community Spirit Program is designed to get you involved in residential life from the moment you arrive. Each lodge has a Senior Residential Advisor and Events Crew to help you settle into your apartment and keep you informed of upcoming activities.

There’s everything from annual ski trips, sports and Winter Balls to special meals, floor parties, multi-cultural festivals and special holiday celebrations. So although your stay can be short, you’ll always feel right at home.
STAY HAPPY

There’s no better recommendation than from the residents who’ve experienced everything UniLodge has to offer. Here are a few examples of what they have to say.

“Cooper Lodge is a great place to live while studying, due to the opportunities of meeting new people and making lasting memories.”

“UC Cooper Lodge caters very well to all students pursuing a balanced lifestyle, with great social aspects, academic support and res sport life.”

“UniLodge accommodation is fantastic. It has a good community, the residents are friendly and the staff are extremely reliable and helpful.”

“The environment at UniLodge is exceptional. It is clean, friendly and is in a secured building. It has the facilities available for washing, study, recreation... as well as regularly hosted functions seeking to further the social and educational aspects of the students’ lives.”

“UniLodge has provided a fun and exciting environment to study and socialise. I have made a whole new network of friends at UniLodge and wouldn’t change it.”

“The best thing about living on res is the awesome events we put on here at UniLodge. Some of my favourites this year have included Hoyts movie night, Skyzone and Ten Pin Bowling.”

“Throughout the year, the UniLodge team held a variety of events, which were inclusive to everyone. These included floor parties, Floriade Nightfest, Canberra Show, skyzone trampolines, assassins, ice skating, many movie nights, games nights along with cultural and public holiday events.

The best events would have to be the floor parties. Each floor had a theme and their own party, before everyone had dinner and continued to party in the common room – where there was a photo booth, DJ and Red Frogs crew.

Every event was better than its predecessor. Many residents attended... which meant that I was seeing many people in the building frequently and they became my family away from home.

The res sport, which ran with all of the residences here at UC, and also the UniLodge events, allowed me to explore Canberra and meet an abundance of new people.”
